

BBC CHILDREN IN NEED APPEAL 2012

CHARITY FLY-IN, FLYING DISPLAY AND
CLASSIC & PRESTIGE VEHICLE DISPLAY

FULLERS HILL FARM AIRFIELD, LITTLE GRANSDEN
SUNDAY 26TH AUGUST, 2012 - 10.00 TO 18.00 HOURS

You are invited to bring your display / stall to the above event supporting the **BBC Children in Need Appeal 2012**. The event will include vintage and aerobatic flying displays, vintage/veteran/classic/rare vehicle rally and numerous other attractions. Refreshments and bar will be available, as usual.

Over £7,400 was raised at the 2011 event, thanks to the generosity of exhibitors and spectators, and we aim to make our 20th event an even more successful fund raising event for all to enjoy. In 2012 we will be once again requiring a **10% donation to the fund from your days takings** (unless other amount by prior agreement) to increase the net proceeds for the **2012 Children in Need Appeal**.

If you wish to take part in this event please complete your details below and return the form to us **at the address given by 30th June, 2012**, - please include a stamped addressed envelope (at least 4" x 8.5" to enable us to return your entry pass and posters, etc. to you)

Please note that this year due to Health & Safety considerations (and recommendations from the inspection of 2007) we have to limit the movements of vehicles and show side parking and **all vehicles need to be in position by 10:00 AM**. *If you arrive later you will be parked in the public car park - this is not negotiable!* You may arrive from 8:00am, on the application form you will find a series of preferred time slots. This is to allow us to try and manage the entry of vehicles on to site and alleviate the traffic jams of past years. Please tick your preferred slot. We will confirm with your passes which slot you have been allocated.

No vehicles will be permitted to move on the showground until the flying display has ceased at approximately 5pm, with the exception of emergency vehicles. Sadly we have had some exhibitors get very rude with the stewards and some dubious emergencies! - We do not expect a repetition of this, and anyone acting in this manner will never be invited along again. We regret having to take these measures however we must comply with the rules imposed on us if the event is to be allowed to take place. These restrictions are due to the high density of public we have compared to other shows of similar nature. We have everything except space!!

To the many of you that have supported us at Little Gransden over the years, **THANK YOU** very much and long may it continue!

We look forward to seeing you.

With kind regards,

Dave Poile.
