Dear Sir,

The annual Little Gransden Air & Vintage Vehicle show, will take place on Sunday 27th August 2017 in support of the BBC Children In Need appeal, since 1992 this show has raised in excess of £ 300,000 for the appeal and other local charities. As you may have already noted from the website an extensive range of aircraft have previously been seen*. So many in fact it's recommended you review the shows website "www.littlegransdenshow.co.uk", on a regular basis to keep abreast of future developments.

*** All aircraft are subject to availability**

In addition to which there will be an extensive vehicle show of approximately 250 vehicles, featuring cars and motorcycles, along with commercial and military vehicles.

Other notable features have previously included demonstrations of running Merlin aero engines, the same engine famed for it's use in many aircraft such as the Spitfire. Bedfordshire fire and police services, will be on hand, plus many trade stands, together with a licenced bar.

Once again we have the privilege of organising the craft fair within the airfield's main hangar, listed below are some of the items and products, we hope to include this year:-
