

# LITTLE GRANSDEN AIR & CAR SHOW 2017

SUNDAY 27th AUGUST, 2017

FULLERS HILL FARM AIRFIELD, LITTLE GRANSDEN, CAMBRIDGESHIRE, SG19 3BP

You are invited to bring your display / stall to the above event supporting the **BBC Children in Need Appeal 2017**. The event will include vintage and aerobatic flying displays, vintage / veteran / classic / rare vehicle rally and numerous other attractions. Refreshments and bar will be available, as usual.

We raised £14,300 for Children in Need last year, thanks to the generosity of exhibitors and spectators, and we aim to make this year's event an even more successful fund raising event for all to enjoy. **We will be once again requiring a minimum 10% donation to the fund from your days takings (unless other amount by prior agreement)** to increase the net proceeds for the Children in Need Appeal.

If you wish to take part in this event please complete your details below and return the form to us at the address below **by 30th June**. Please include a stamped addressed envelope (at least 4" x 8.5") to enable us to return your entry pass and posters, etc. to you.

Please note that due to Health & Safety considerations (and recommendations from the South Cambridgeshire Council Safety Group) we have to limit the movements of vehicles and show side parking and all vehicles need to have dropped off contents and returned to the traders car park by 10:00 AM. **If you arrive later your vehicle will be parked in the public car park - this is not negotiable!** You may arrive from 8:00am on the day, or on the day before the show. On the application form you will find a series of time slots. Please tick your preferred slot. This is to allow us to try and manage the entry of vehicles on to site and alleviate the traffic jams of past years. We will confirm with your passes which slot you have been allocated and where your pitch is.

We would like to ask all Traders to **remain open for business until at least 6pm** to assist with extending the period over which show visitors leave. We have had lots of feedback asking for stalls to be open at the end so people can browse without missing the airshow, so it is worth your while!

**No vehicles will be permitted to move on the showground until the flying display has ceased at approximately 5:30pm**, with the exception of emergency vehicles. Sadly we have had some exhibitors get very rude with the stewards and some dubious emergencies! Anyone acting in this manner will never be invited along again. We regret having to take these measures; we cannot have vehicles moving around with the high density of public we have compared to other shows of similar nature. We have everything except space!

To the many of you that have supported us at Little Gransden over the years, THANK YOU very much and long may it continue! We look forward to seeing you. With kind regards,

Dave Poile MBE.

Please return the completed form (with a stamped addressed envelope) to:

Don't forget to enclose a stamped addressed envelope. No SAE – no pass!

Each stall holder will be expected to make a minimum donation of 10% of the day's takings to the Little Gransden Appeal to be collected at the end of the day unless other arrangements agreed. No vehicles are permitted to move on the showground between 10:00 and 17:30. We require a mobile contact number in case we need to contact you on the day for any reason regarding your vehicle or stall.

I agree to abide by the conditions as outlined above.

**Signed:**
