

LITTLE GRANSDEN AIR & CAR SHOW 2017

SUNDAY 27th AUGUST, 2017

FULLERS HILL FARM AIRFIELD, LITTLE GRANSDEN, CAMBRIDGESHIRE, SG19 3BP

You are invited to bring your Rare/Vintage/Classic/Prestige Car, Lorry, Tractor, PSV or Motorcycle to the above event supporting the **BBC Children in Need Appeal 2017**. The event will include vintage and aerobatic flying displays, vintage/rare/classic/ vehicle rally and numerous other attractions. Refreshments and bar will be available, as usual.

We raised £14,300 for Children in Need last year but we also sadly lost Adrian Hamilton, the linchpin of our show and co-ordinator of vehicle bookings, who passed away shortly after the 2016 show. So, regulars, please bear with us – organisation will no doubt be a little different this year.

If you wish to take part in this event please complete your details below and return the form to us **at the address given by 31st July, 2017**, - please include a stamped addressed envelope (at least 4" x 8.5" to enable us to return your entry pass and posters, etc. to you). **NO ENVELOPE OR STAMP = NO ENTRY PASS!**

Club stands are limited to a maximum of **10 cars on any one stand**. This is to ensure we retain enough space for the visiting public and comply with relevant Health and Safety recommendations. The allocation of club stands will be on a first come, first served basis and we only have space for so many.

Please note that, as always, to comply with Health & Safety constrictions (and recommendations from the inspection of previous events) we are having to limit the number of individually entered vehicles to 250 (not counting vintage motorbikes, ex-military vehicles or vintage/veteran commercials which will get different entry passes), and **all vehicles need to be in position by 10:00 AM. If you arrive later you will be parked in the public car park - this is not negotiable!** You may arrive from 8:00am, on the application form you will find a series of preferred time slots. This is to allow us to try and manage the entry of vehicles on to site and alleviate the traffic jams of past years. Please tick your preferred slot. We will confirm with your passes which slot you have been allocated. (Obviously the earlier slots are less busy!)

No vehicles will be permitted to move on the showground until the FLYING DISPLAY HAS CEASED at approximately 5:15pm, with the exception of emergency vehicles. Sadly, in previous years, we have had some vehicle exhibitors get very rude with the stewards and some dubious emergencies! - We do not expect a repetition of this, and anyone acting in this manner will never be invited along again. We regret having to take these measures however we must comply with the rules imposed on us if the event is to be allowed to take place. These restrictions are due to the high density of public we have compared to other shows of similar nature. We have everything except space!!

To the many of you that have supported us at Little Gransden over the years, **THANK YOU** very much and long may it continue, we look forward to seeing you!

With kind regards,
Damien Burke.
