

BBC CHILDREN IN NEED APPEAL 2010

CHARITY FLY-IN, FLYING DISPLAY AND
CLASSIC & PRESTIGE VEHICLE DISPLAY

FULLERS HILL FARM AIRFIELD, LITTLE GRANSDEN

SUNDAY 29TH AUGUST, 2010 - 10.00 TO 17.30 HOURS

You are invited to bring your Veteran/Vintage/Classic/Prestige Car, Lorry, Tractor, PSV or Motorcycle to the above event supporting the **BBC Children in Need Appeal 2010**. The event will include vintage and aerobatic flying displays, vintage/veteran/classic/rare vehicle rally and numerous other attractions. Refreshments and bar will be available, as usual.

Despite the chilly weather, over £50,000 was collected at the 2009 event, thanks to the generosity of exhibitors and spectators, and we aim to hopefully make our 18th event as successful a fund raising event for all to enjoy. In 2010 we will be once again requiring a **£5.00** entrance fee prepaid if possible or payable on the gate from all vehicle owners to go towards the cost of staging the flying display, and in turn, increase the net proceeds for the **2010 Children in Need Appeal**.

If you wish to take part in this event please complete your details below and return the form to us **at the address given by 31st July, 2010**, - please include a stamped addressed envelope (at least 4" x 8.5" to enable us to return your entry pass and posters, etc. to you)

Please note that as always to comply with Health & Safety constrictions (and recommendations from the inspection of previous events) we are having to limit the number of vintage vehicles to 250 (not counting vintage motorbikes, ex-military vehicles or vintage/veteran commercials which will get different entry passes), and **all vehicles need to be in position by 10:00 AM. *If you arrive later you will be parked in the public car park - this is not negotiable!*** You may arrive from 8:00am, on the application form you will find a series of preferred time slots. This is to allow us to try and manage the entry of vehicles on to site and alleviate the traffic jams of past years. Please tick your preferred slot. We will confirm with your passes which slot you have been allocated.

No vehicles will be permitted to move on the showground until the FLYING DISPLAY has ceased at approximately 5pm, with the exception of emergency vehicles. Sadly, in previous years, we have had some vehicle exhibitors get very rude with the stewards and some dubious emergencies! - We do not expect a repetition of this, and anyone acting in this manner will never be invited along again. We regret having to take these measures however we must comply with the rules imposed on us if the event is to be allowed to take place. These restrictions are due to the high density of public we have compared to other shows of similar nature. We have everything except space!!

To the many of you that have supported us at Little Gransden over the years, **THANK YOU** very much and long may it continue!

We look forward to seeing you.

With kind regards,

Adrian Hamilton.
